MILEY HIGH CLUB

Is Kaitlynn Carter the latest member?

SPARKY songstress Miley Cyrus has overcome great adversity in her life – a dad with a shockin' mullet for starters – to become a world-beater in her profession.

Now she's facing another personal setback – busting up with long-time boyfriend/short-time hubby, Aussie actor Liam Hemsworth.

But is she sitting around feeling sorry for herself, sobbing into her Malibu and lemonade?

Well, yeah, probably, but at least she's doing it in style, hangin' out in ritzy Fendi, Italy, with chick buddy Kaitlynn Carter, who's also just had a marriage bust-up.

And really, how could Miles stay miserable when she's got Kaitlynn's peachy arse to use for a pillow while she gets her lovely norks out and works on her tan?

Apparently the two have been seen smooching and tangling tonsils, but whether that's anything SECKSHUAL or just what chicks do when they've broken up with their blokes and being SUPPORTIVE, we dunno.

And frankly, we don't give a rat's arse. It's just nice to look at. **Picture**

WE NORMALLY hate people who take selfies all the time, but in Sammy Brady's case we totally understand.

'Cos if you had an award-winning pair of tits like the Pommy glamour model's righteous rack, how could you resist banging off snap after horny snap of them?

Sammy loves to take selfies featuring her all-natural F-cup funbags, which look just as perky today as they did back in 2006, when she started in the tits-out caper at the age of 22.

50mm 1:1.4
PY
PS!
WHAM, BAM,
THANK YOU SAM!

SQUARE

Yeah, that's right – she's 34! Amazing. But she's holding up pretty well, eh.

And beautly, she doesn't keep these lovely piccies to herself – she bungs them out there on her social media accounts so everyone can enjoy them.

That's one big-hearted babe!

Sammy has consistently resisted the many offers to go pants-off, or – heaven forbid – do porn, preferring instead to let her beaut boobs do all the talking.

And what they appear to be saying is: "We are boobies. Hear us roar. Now, would you like another selfie?"

Erm... YES, PLEASE!

WOBBLY WORLD

EXTRA! EXTRA! READ ALL ABOUT TIT!

CALIFORNIA!

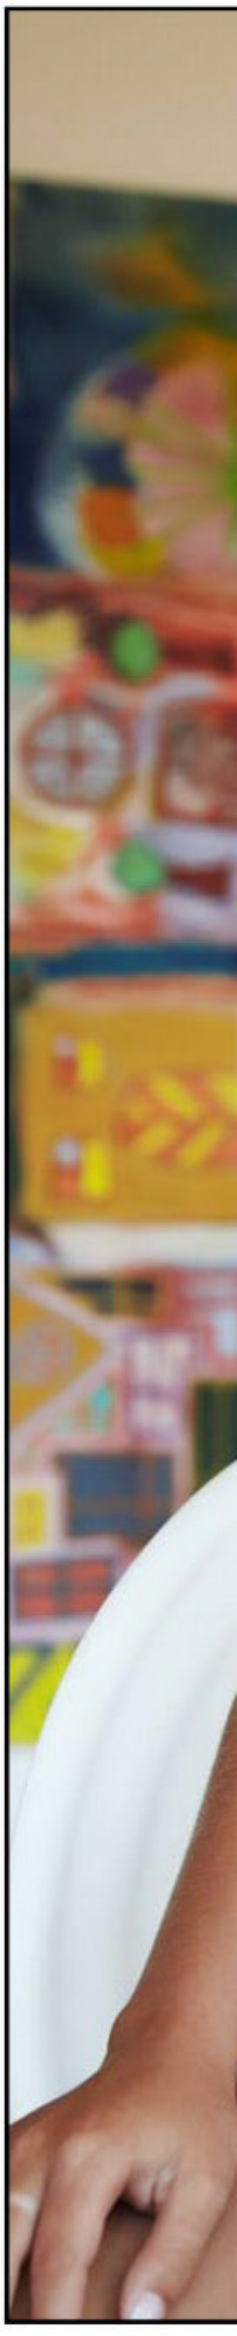
Billions of blokes would roll naked through a 15km trench full of razor wire just to go hiking with 22-year-old Angel here.

BIRMINGHAM!

For some reason, big-titted porn goddess Liz seems overjoyed to find herself next to a dinged car. Maybe she can panel-beat it with her beaut double-Ds!

NEVADA!

Eortic model Alyssa Weiber, 21, disproves the theory that nothing grows in the desert by flashing her blossoming double-D norks on her morning run. Refreshing!



STOP FUCKEN PRESS! STOP FUCKEN PRESS! STOP FUCKEN PRESS!

PRAGUE!

Czech porn star Marry Queen is just too hot for words. Those freckles, that landing strip, those all-natural D-cups – if she were a breakfast cereal she be called Spunko Pops!

MOSCOW!

Ukrainian porn star Kortney is always working. Even while having a picnic on her day off she still can't resist getting her beaut cans out when a fan asks her nicely.

LATVIA!

Feeling a bit down? Don't think you can take it anymore? This Latvian stunna is giving you two big reasons to keep on living!

NEWS FLASH

THIS SHIT REALLY HAPPENED!

WHERE'S FATSO?

THAILAND's favourite lard-arsed monkey has gone MISSING. Uncle Fatty was a fixture at a temple in Bangkok frequently visited by touritsts, who fed him heaps of choccies and other crap, causing him to CHUB UP something fierce. He was sent away to monkey fat camp to slim down, but soon stacked on the kilos again when he came back. Now Uncle Fatty has disappeared, and his fans are afraid he's crawled off to die. Maybe he just heard about a really good all-you-can-eat buffet at another temple . You never know.

SHEEP ON DRUGS!

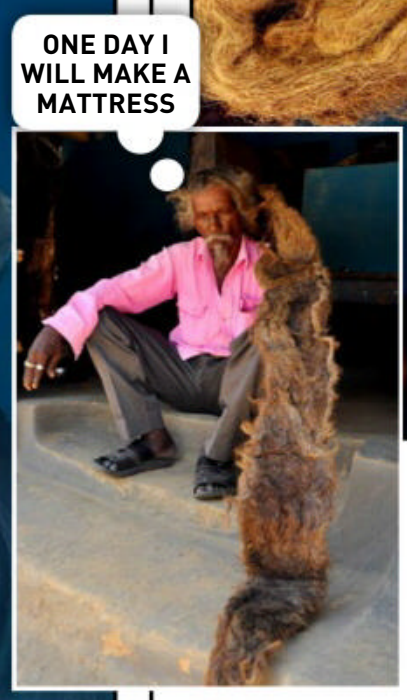
A PRIZE-winning lamb at a Seppo fair has been disqualified for being ON THE DRUGS. Judges at the Logan County Fair in Ohio found that the grand champion lamb tested positive to a performance-enhancing diuretic, which made it appear leaner and more muscley. Remember Warney's drugs suspension? Same sort of thing. So the cheating woolly bastard was BAA-ned, and probably ROASTED with spuds and gravy.

ROCK-A-BYE SHARKY!

PIERRICK Seybald loves tickling tiger sharks, and it seems that they love being tickled, otherwise they'd probably EAT HIM. Pierrick, from Moorea, near Tahiti, is known as the shark whisperer and he can swim up to the fangy champions and tickle them in the right spot until they roll over and have a doze. "We call that tonic immobility and we use that method to remove hooks that sharks have got from fisherman," he says.

BUMPITY BUMP!

ANOTHER sheila has been found to have Persistent Genital Arousal Disorder, a condition where she's constantly having orgasms. The 61-year-old Scot known only as Maria reckons it's the result of a botched examination by her gyno. "There's times where it's a tickle all day, but then something sets it off and it's a full-blown orgasm," she says "Driving over potholes, aircraft turbulence, escalators, the vibration from violins..."

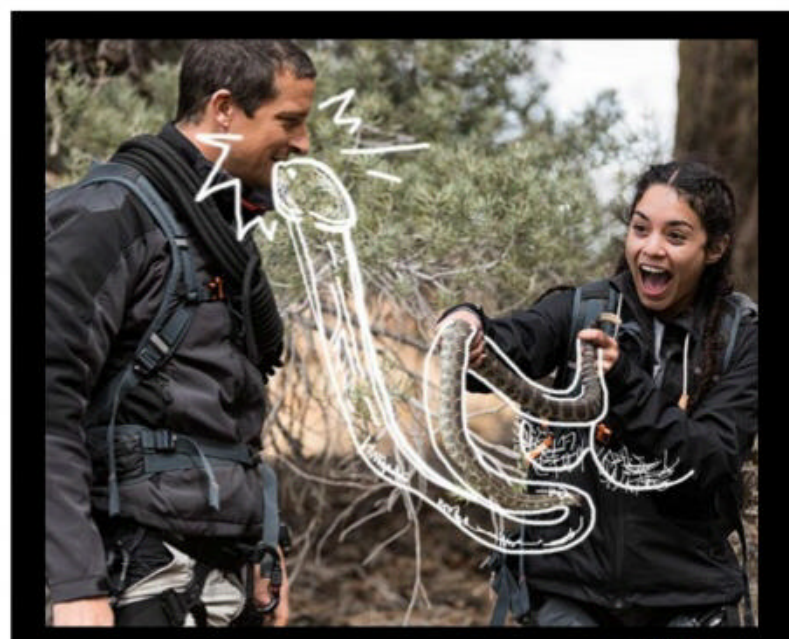


BLOKE HASN'T WASHED IN 40 YEARS!

INDIAN bloke Sakal Dev Tuddu hasn't washed or cut his 1.8m dreads for 40 years 'cos he reckons God told him not to. Apparently God also told him to give up drinking and smoking, which is going a bit far we reckon. The 63-year-old father of six from Bihar state keeps his hair in a big white bag when he goes out to stop it dragging on the ground and getting all grubby.

WE'RE NOT THAT GULL-IBLE

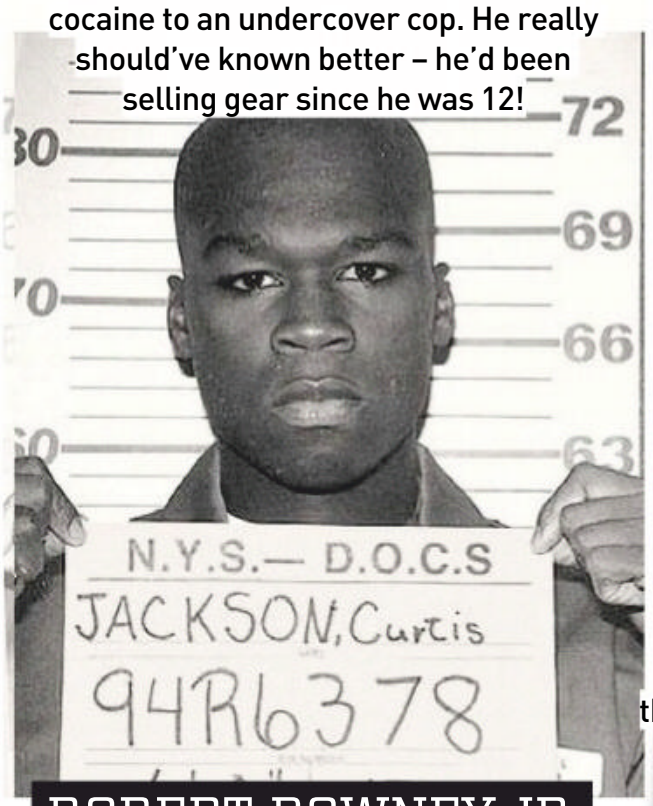
HAVE the Poms been sniffing their socks again? 'Cos this latest weirdo claim from Britovia has us thinking they're all off their chops. A whinging Pomette in Devon has posted on Facebook asking people to watch out for her chihuahua Gizmo, which she claims was snatched from her garden by a SEAGULL. Becca Hill, 24, reckons: "My partner was in the garden at the time and suddenly he saw it swoop down. It carried Gizmo a fair way as we couldn't see him anymore. I have no idea if he was dropped or where he is." At least it wasn't her CHIPS.



WE DREW A COCK ON IT #351

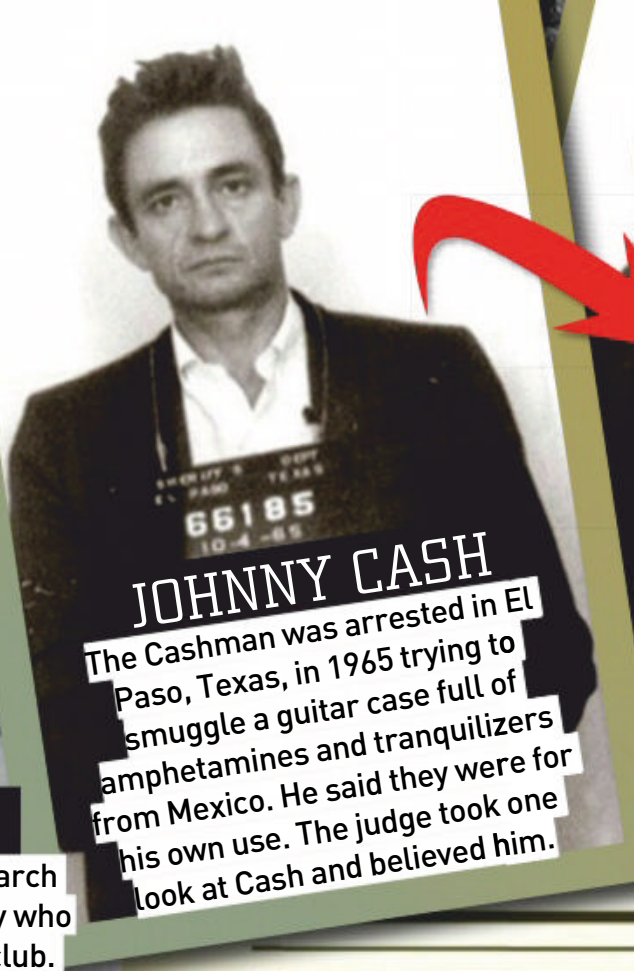
50 CENT

In June 1994, Mr Cent – aka Curtis Jackson – was arrested for selling cocaine to an undercover cop. He really should've known better – he'd been selling gear since he was 12!



CONOR MCGREGOR

The UFC giant was arrested Miami in March this year for smashing the phone of a guy who tried to take his picture outside a nightclub. We reckon the bloke got off lightly.

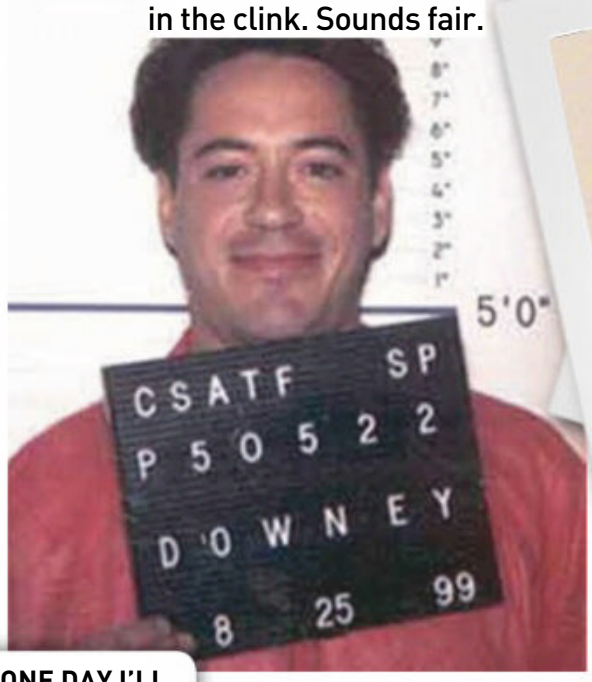


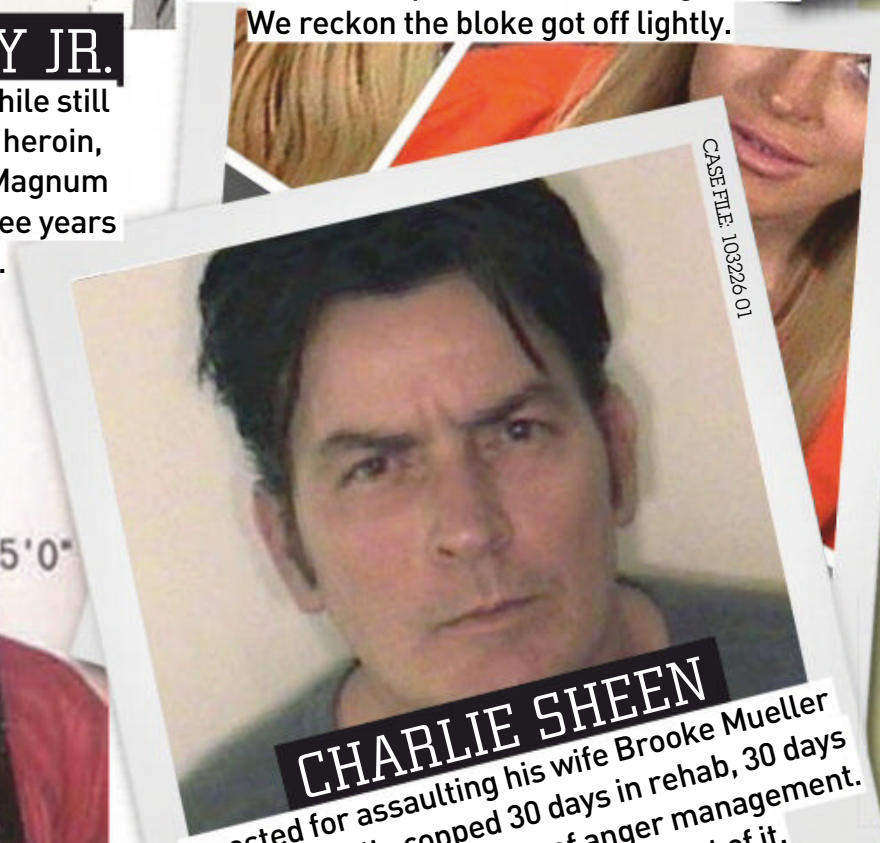
JOHNNY CASH

The Cashman was arrested in El Paso, Texas, in 1965 trying to smuggle a guitar case full of amphetamines and tranquilizers from Mexico. He said they were for his own use. The judge took one look at Cash and believed him.

ROBERT DOWNEY JR.

In 1999, after his third arrest while still on probation for possession of heroin, cocaine and an unloaded .357 Magnum while speeding in LA, he got three years in the clink. Sounds fair.





CHARLIE SHEEN

Arrested for assaulting his wife Brooke Mueller in 2009, Charlie copped 30 days in rehab, 30 days of probation, and 36 hours of anger management. So at least he got a TV series out of it.

Later the boy saw a butterfly so he ran over and stomped it.

JOKE OF THE WEEK WINS $100

A YOUNG Scotsman leaves home and moves to New York. After six months his mum calls him and she asks how he finds the Americans.

"Horrible," he says. "They're always yelling and screaming. I hate how they constantly pound on the walls and stomp the floors."

"How do you get by?" she asks.

"I just relax in bed, playing me bagpipes," says the lad.

DAMO, PERTH, WA

"That was a butterfly," his father said. "One of our friends, and for stomping him you will do without butter for a week."

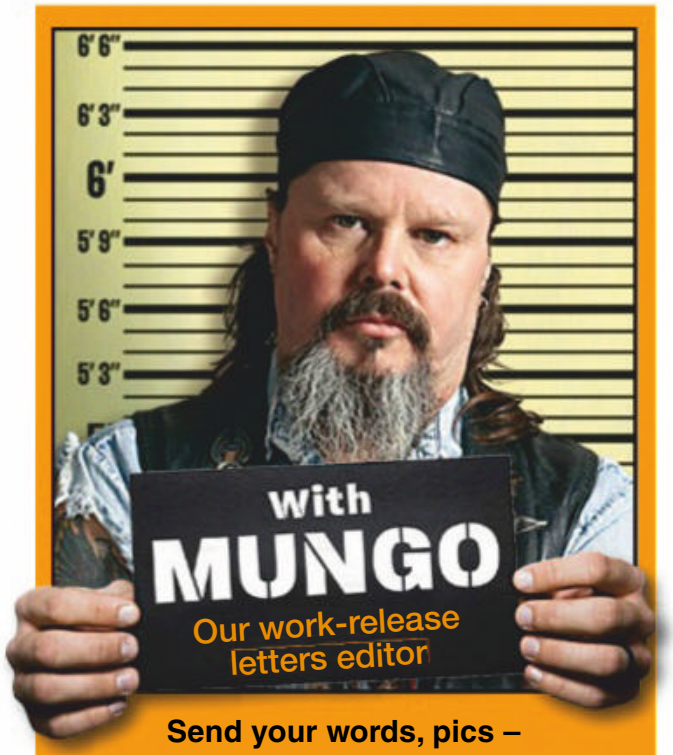
READERS' WORLD

GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:
https://twitter.com/ThePictureMungo

SELFIE DICK

MUNGO, have you ever tried texting photos of your todger to your missus? Everyone is doing it apparently.

MOONY, CURRAJONG, NSW

MUNGO SAYS: Technology these days, eh! Used to be you'd have to take a photo of your dick, take the film to the chemist, get a whole lot of prints made, chuck 'em in envelopes, bung stamps on, post 'em and then wait half a week for a reply. Now it's pretty much instantaneous – six or eight beers, snap, send. Jesus! What will they think of next?

GAME OF BLONDES

MUNGO, when I was getting stuck into the last issue I saw Sharon, the blonde Homie in #1489, and immediately thought of Daenerys Targaryen in *Game of Thrones*. What do you reckon, Mungo – clones or what?

P.J., CAIRNS, QLD

MUNGO SAYS: Well, they've both got blonde hair and dark eyebrows and they both look good naked. Good enough for me. I'm easily pleased. I'd flog my dragon over either of them any old day.

BEAR, MY ARSE!

G'DAY Mungo, has anyone ever told you that you look like the TV character Grizzly Adams who used to knock around with a bear? I used to watch it when I was a kid.

K.G., MT GAMBIER, SA

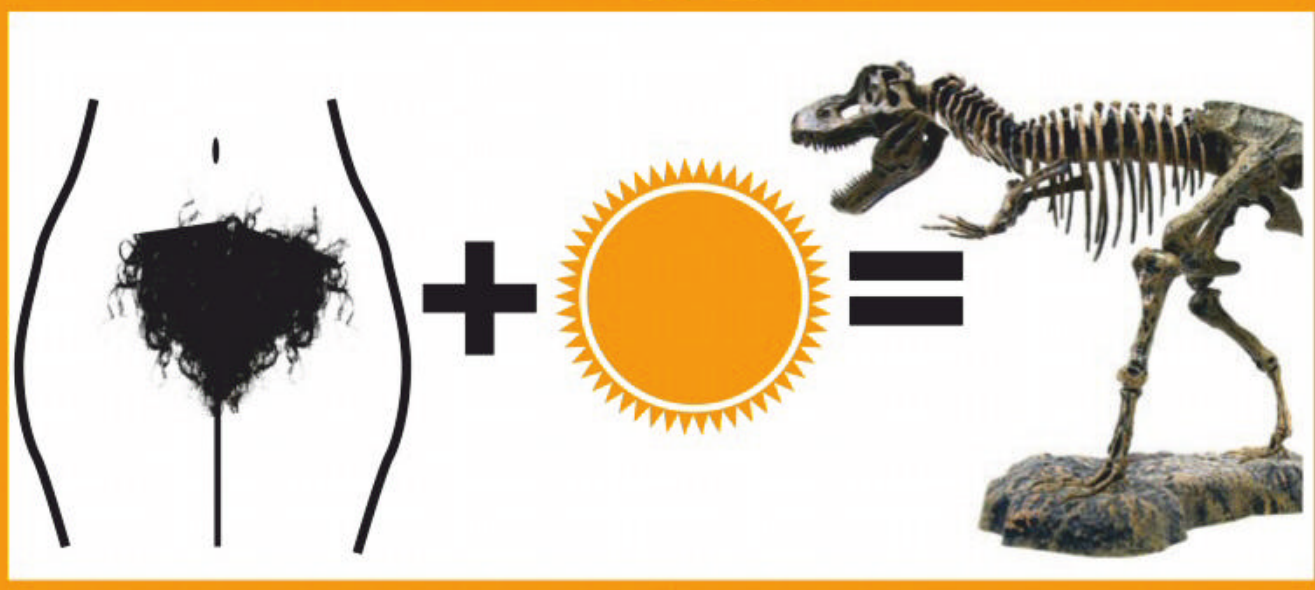
MUNGO SAYS: Yeah, somebody did once so I kicked him in the nuts. Stupid fucken show. Big hairy bloke talking bullshit to a bear like it was a human, just fucken droning on. The bear should've bit his head off. I'd never waste my time talking to bears. They can't help ya.

LETTER OF THE WEEK
WINS $200

EVERY LETTER PRINTED WINS $50

LETTER WITH A PICTURE WINS $100

THEORY OF PUBE-ATIVITY



MUNGO, I'm worried that a previously unforeseen result of global warming might be the final extinction of pubes. As we often read, the pube is an endangered species already, and chicks who shave off their pubes say it makes it feel cooler down below. So as the climate warms up, more and more chicks will get rid of their pubes, having babies and passing along the get-rid-of-your-pubes gene to the next generation. In a couple of generations all women will be pubeless.

L.H., BEACON HILL, NSW

MUNGO SAYS: I'm not sure genetics works that way, L.H., but full marks for thinking it through and coming up with that hypothesis. Most cunts wouldn't have bothered. Get it all down on paper, there may be a grant in it.

THEY GROW UP SO FAST!

MATE, whatever happened to Kate Upton? She was hotter than hot and for a few years there her tits were everywhere, mostly covered up but still, incredible. She was always popping up in the mags. But now there's nothing. What's she doing? I still fancy her like fuck.

T, W., PHILLIP ISLAND, VIC

MUNGO SAYS: There's no easy way to tell ya this, so sit down and have a drink – she's married and had a kid. There it is. Just take it easy. Try to breathe slowly. Kate married her ice hockey-playing boyfriend and popped out her first sprog late last year, so any hope you had of you and her running away to Nude Island together with a few cases of coldies is pretty much shot. Sorry about that. So, how's the rest of your day been?

MUNGO WANTS TO KNOW...

Lost hotties – who are the best looking babes of a few years ago who have drifted off our radar? And should we get them back?

GO THE BEARS!

BEARS versus wolves? It sounds like the grand final of your local footy comp, but it was actually a showdown between some big growly bastards that hang out in the forests of Finland, near the border with Russia. Near the town of Kuhmo there's a workshop for wildlife photographers where they hide out in a shed, put some tucker out for the critters and wait with Nikons poised. They struck gold when a bear showed up for lunch, then some wolves moved in for a feed as well. There was some argy-bargy as to who got the prime cuts and who was left with the gristly bits, but in the end they all got a free feed, and the snappers got their pics.

BELT HIM, YOGI!

IN BED WITH KIKI

OPEN AND SHUT

G'DAY Kiki, me and the missus are in kind of an open relationship. We're allowed to have sex with other people but only if the other approves. The thing is she never approves the chicks that I wanna fuck, whereas I give her the nod for rooting heaps of dudes. Am I getting a bum deal here? What should I do?

SMITHY, REDCLIFFE, QLD

***KIKI SAYS:* Doesn't sound much like an open relationship to me. Sounds like she's getting roots and you're getting none. I'm no relationship expert but wouldn't it be easier if you were just single? She'll come begging for it if she wants you, and you can fuck whoever and whenever you want in the meantime. But right now you're just an idiot, mate.**

BUSH BASHING

BIG problems round at my joint, Kiki, big problems. I've got a huge, bushy beard that I'm really proud of, and I've also got a smokin' hot new girlfriend, and the two of them don't get along. My missus says Mr Beard is annoying when I go down on her, and has threatened to walk if I don't shave him off. Do you like beards? What should I do?

BLUEY, KINGSWOOD, NSW

***KIKI SAYS:* Sounds like you're a true blue bloke Bluey, and I admire the years you've taken to grow your beard. But you need to weigh up the choices – your beard or that pussy? I know, I know, it's a tough one, and I wish you could have your cake and eat it too! Alternatively, you could wear a balaclava and it would be a win/win!**

UTES ARE BEAUT!

HEY good looking. Are you coming to the Deni Ute Muster this year? You really should. Do you like utes? Have you ever had sex in one? I could show you a thing or two.

CHOOK, MUDGEE, NSW

***KIKI SAYS:* Sounds like a blast, but I think I'm busy stripping my gear off for some bucks that weekend. Have you ever seen one of my strip shows? You really should. Do you like naked redheads? I reckon I could show you a thing or two!**

WANK YOU VERY MUCH

HELLO Muffin, just felt like saying thank you on behalf of the people of Australia. Thanks for getting your beautiful tits and little snatch out every week for our pleasure. Every night I touch myself and think about you. Don't stop what you're doing!

PETER, BRISBANE, QLD

***KIKI SAYS:* Aww Peter, you're making me tingle! I accept your appreciation and just want you to know that I make porn because I want to show those Yanks how it's really done. Those bastards have nothing on you guys and I just wish more Aussie blokes did porn.**

KIKI'S SEX CONFESSION

"Ladies, wanna know the secret to giving great head? When you go down on a guy, do one technique and ask him is this 'good or better'? Then switch to a different technique and ask him if it's good or better than the previous. Eventually you'll know exactly what he likes and you'll be able to give him mind-blowing head!"

SICK BAA-STARD

FOR my birthday, some of the boys gave me a blow up sex sheep as a joke. It was funny, but it stayed in its box for a few months until one night when I was smashed I did the deed… and I liked it. I've been tonking that little inflatable sheep a fair bit since, and it's a lot of fun. Look, I'm happy, but I feel guilty and as if what I'm doing is wrong.

N.P., PENRITH, NSW

***KIKI SAYS:* You're putting your dick into air-filled plastic and you think that feels good? Mate, you need to get some sex – stat! I don't reckon it's wrong, but I reckon an oven mitt filled with pasta would feel better if you're really desperate. I kinda wanna give you a sympathy cuddle, you poor thing.**

ROUND THE BEND

MY DICK curves quite severely to the left, so much so that my mates call me Banana Dick or Boomerang. I find it really embarrassing. Do you think girls will laugh? Will my bent cock even fit inside a chick's pussy?

DAN, VIA EMAIL

***KIKI SAYS:* Are you a virgin, Dan? Girls don't do much laughing when they're having great sex. And lots of guys have banana dicks – they hit the g-spot better! I think you need to stop showing your dick to your mates and start meeting more women.**

KIKI WANTS TO HEAR FROM YOU!

GET UP YA SOOK!

...AND DON'T BE A WUSS

OUCH FACTOR 92%

WHO: UFC fighter Mike Perry

WHAT: Got his nose smashed

WHERE: Montevideo, Uruguay

MIKE Perry has had to learn to breathe around corners during his UFC scrap with Vicente Luque the other day.

The welterweights were throwing everything but the kitchen sink at each other when Luque hit Perry plumb on the SCHNOZZ with a flying knee.

Perry's hooter ended up somewhere under his right eye as the previously handsome 27-year-old Seppo fought on, only to lose to Luque on points.

With every breath Perry took having to do a three-point turn, he was rushed to hossie for some emergency panel-beating, emerging from the operating theatre to IMMEDIATELY start posting pics on Instagram, including one of him bandaged up and flipping the double bird with the caption: "Still can't knock me out."

He did admit, however, that: "It was a tasty knee."

Mate, you're supposed to AVOID 'em, not LICK 'em.

So GET UP, YA SOOK. Actually no, on second thoughts, stay right where you are, Mike.

We don't want you dribbling SNOT and BLOOD all over the place. ■ Picture

Get a taste
of Cara Mell

Sweet AS!

YOU'LL BE BACK
FOR SECONDS!

DIABETICS beware – Ukrainian babe Cara Mell will give you a dangerous sugar rush.

Actually, you'd probably void your health insurance if you stared too long at the 26-year-old blonde from Kiev, but hey, life's short, you may as well go for it.

Three years into her nudie modelling career and this super-fit babe already is all over the internet on those arty Euro websites, showing off those long, long legs and her small-but-totally-firm C-cup titties to great effect.

'Cos nude is where it's at for Cara. She digs being in the buff. She's a nuddy buddy.

Sure, you might see her with clothes on here and there, but mostly she just digs getting naked.

“I LIKE TO BE SHAVED”

"I like nude shoots most of all," she says. "I'm not ashamed of my body. It was created only for aesthetic pleasure – my pleasure."

Well, OK! Yowzer! We'll drink to that, Miss Mell!

When she's not stripping down and showing off her beaut bits for the camera, Cara is a laid-back kinda gal. Mostly she just likes to cook and knock over a few glasses of vino with friends, maybe pat a Labrador now and then, that kind of thing.

OK, so it's not Acca Dacca, pulling wheelies in the carpark, or barracking for St Kilda, but we can live with that.

In fact, if she said she wanted to spend the arvo arranging flowers and listening to ambient-trance Buddhist music while drinking herbal tea, we'd be alright with that too. As long as she was naked while we did it.

"I AM NOT ASHAMED OF MY BODY"

Oh yeah – she has one sneaky kink that we'd really, REALLY like to help her out with, and we're pretty sure all you readers would, too.

'Cos it's got to do with her cute little thatch of PUBES.

"I like to be shaved," she reckons. "It's a real turn-on to have someone shave me down there. It's very intimate."

We're whipping up the lather already, Cara! ■ Picture

THE NAKED TRUTH

Blonde babe Bec tells all

I'VE got a rule when it comes to guys now," stipulated this 22-year-old stunna. "I'll only go out with them if they are more than five years older than me."

What's wrong with the younger fellas, Bec?

"They aren't very sure of themselves and a bit of a waste of time. Older guys really know what they are doing and they are better in bed."

Is there an older bloke you are attracted to?

"Jason Statham. I don't really like his movies, but something about him just drives me crazy."

What about Jason Donovan?

"Who?"

Don't worry about it. How's your sex life?

MADE IN OZ GIRL

"Really good. Sex is fun. I try not to take it too seriously."

What's the best way to get you off?

"I like to ride on top. Doggy is fun, but cowgirl is better. I love to take control and do it whenever the mood takes hold. Which, I must admit, is pretty regularly."

Have you ever had sex in public?

"Once on a train a few years back. I tried to do it in a park recently, but we got caught in the act."

Are you only interested in blokes?

"I'm attracted to petite and busty brunette girls for some reason. I'd love to have sex with one soon."

We'll take one, too. Picture

STRIP TEASE

I'VE been with my boyfriend Mike for 18 months, so we're at that stage where things aren't quite as exciting as they used to be. When he asked if I wanted to go to a strip club with him I was a bit unsure, but went along anyway.

We had a few cocktails at home and then went along to the club, and I felt quite confronted when we went inside. There was a naked girl up on the stage with her legs spread, waving her shaved pussy in some guy's face. But they all seemed to be having a good time and actually quite empowered by the whole situation.

As I got drunker I started to have more and more fun, and found myself getting really wet as I perved on the strippers. So when Mike suggested we get a private dance, I was up for it.

We chose this gorgeous blonde and she took us to a little booth around the side, where she got on the table and started dancing around while I rubbed Mike's hard cock through his pants.

"Touch me, baby," said the stripper, then spread her pussy open and begged me to finger her. Mike looked keen, so I reached over and slipped two digits straight up her.

The stripper leant in and kissed me, and I fingered her harder. Then I leant in and licked her pussy, and she went mental!

Things were getting hot and heavy and I was just about to come when the door burst open and a massive Tongan bloke stormed in. He said that they'd been watching us on the security cameras and we had to leave.

But it was cool – the stripper came with us and we fucked all night. Score!

UTE ROOT!

I'D ALWAYS wanted to root my hubby Phil in public, but I was just too afraid of getting caught. Phil wasn't worried, however – he made my wish come true for my 40th birthday and I'll love him forever for it.

I was a bit devastated when he rocked up on the morning of my big day with a beautiful purple ute and told me it was only a rental. He asked me to hop in, then we went and picked up his brother Andy and headed down to the beach.

Phil refused to tell me what was going on, so I just nervously went along with it. When we got to the coast, Phil told me to hop in the tray with him, which I did. Then Andy took off and started driving us along the main road.

"Now let's do it," my hubby said with a cheeky grin. Heaps of people were looking at us 'cos we were in the back of a moving vehicle. I was nervous as hell, but my sex drive suddenly took control of my body and made me strip my grinning husband naked.

I ripped all my clothes off and bent over the side rail, presenting my hubby with his favourite view. It was exhilirating doing this sort of thing outside. I wondered why I'd never tried it before.

A couple of people on the street had spotted us and were cheering. It was one of the funnest experiences of my life. With my nipples pushed up against the cold steel of the tray, I could feel myself surging towards the point of orgasm.

"Get ready to blow," I yelled back to Phil, and he fucked me even harder. We timed it perfectly and came at the same time. It felt very naughty. Andy drove us home quickly to avoid getting caught.

That might've been my first taste of public sex, but it definitely wasn't my last. Since then we've tried it in heaps of places – even the car park at his work!

DINNER DELIGHT

I'D BEEN married to Deb for 15 years before our sex life started to go a bit pear-shaped. We weren't rooting nearly as much as we used to, and when we did it was stale and boring.

One night I told her to dress sexy 'cos we were going out for dinner. My plan was to have some drinks and then take her home and have filthy sex while hanging from the chandelier.

As we approached the restaurant, Deb was ahead of me and my eyes were drawn to her pert arse, which was wrapped in a little black dress. I still loved looking at it and I wanted to get in a bit of an entrée before dinner.

I steered Deb down the side street next to our destination, pushed her up against the wall and kissed her passionately. I dropped to my knees, lifted up her skirt and went at her pussy with my tongue while touching her norks.

Rooting Debs with my tongue was amazing, but I also wanted to have sex, so I stood up, spun her around and lubed the end of my stiffy before sliding it straight into her.

Her buns were still as tight as the day I first ploughed them and it only took a few strokes and a couple of clit wiggles for us both to orgasm ferociously. We got dressed and took a few minutes to straighten each other up before entering the restaurant.

As we walked in, we were greeted with a standing ovation from the entire clientele. I asked the nearest bloke what they were all clapping at and he just pointed to the wall – it was actually a floor-to-ceiling tinted window that showed the side street I had just nailed my wife in.

We had pizza in front of the TV that night, but our sex life improved remarkably from then on.

But the other is a bit more proper. He's nice, but would not want to be near another man's body parts in that way."
